

DO YOU USE CLINICAL DECISION SUPPORT SYSTEMS?

RESEARCHERS FROM THE UNIVERSITY OF LEEDS ARE INTERESTED IN THE EXPERIENCES OF HEALTHCARE PROFESSIONALS USING DATA-DRIVEN CLINICAL DECISION SUPPORT IN PRIMARY CARE AND ONCOLOGY

TO TAKE PART IN THIS INTERVIEW STUDY, YOU MUST:

- Be over 18 years old
- Speak English
- Work as a healthcare practitioner in primary or cancer care in the UK
- Have some experience of using data-driven clinical decision support during your work

For details, please contact the researcher, Ruth Evans: R.P.Evans@leeds.ac.uk
